

## *Curriculum Vitae*

### Positions Held:

- Since retiring from the World-Bank, July 2005 – Present
  - The Brookings Institution. Visiting Fellow, focusing on international development issues.
  - The United Nations Foundation. Senior Fellow, advising on strategy, policy, and programs.
  - The Hewlett Foundation. Senior advisor, leading work on transparency / accountability / corruption issues and innovative financing options in international development.
  - Carlos Slim Helu, Mexican financier. Senior advisor focusing on development in Latin America.
  - Global Development Catalysts, LLC, founder and CEO, with a mission of supporting initiatives aimed at reducing global poverty.
  - Board positions – see list below.
  
- At the World Bank. March 1981 until retirement in July 2005
  - Head of The Latin America and Caribbean Group and Regional Vice-President, 1999 –2005
  - Head of Human Development Group and Vice-President, 1994 –1999  
(Responsible for the Bank’s programs in education, health, nutrition, population, and other social programs. This was *not* the “personnel” part of the Bank.)
  - Head of the Mexico Group and Division Chief, 1992 –1994
  - Head of Human Development Programs for Southern Africa and Division Chief, 1987 –1992. (Again, this was about assisting countries’ education, health, etc. programs – and *not* personnel issues)
  - Division Chief for Urban and Water Development, 1985 –1987
  - Senior Economist, 1981 – 1985
  
- In the U.S. Federal Government. June 1978 – February 1981
  - Associate Administrator, 1979 –1981  
This was the number 2 position, and COO, of the federal agency responsible for domestic food programs (food stamps, WIC, school feeding, etc.). The agency was called the Food and Nutrition Service, had 2,400 employees and oversaw \$17 billion in federal programs at the time.
  - Director, Policy, Research, and Evaluation, 1978 – 1979
  
- At Rand Corporation (the public policy research institute). July 1971 – June 1978
  - Various positions, directing analyses on housing, urban development, poverty, income maintenance programs, welfare, public finance, water, transportation, and other domestic policy issues.
