ROBERT E. LANG, Ph.D.

Robert E. Lang is Co-Director of the Metropolitan Institute at Virginia Tech in Alexandria, Virginia, and a Professor in Virginia Tech's School of Planning and International Affairs. Dr. Lang is Co-Editor of the new scholarly publication *Opolis: An International Journal of Suburban and Metropolitan Studies*. He also serves as Associate Editor for the journals *Housing Policy Debate*, and the *Journal of the American Planning Association*.

In the spring of 2007, Dr. Lang was named a Nonresident Senior Fellow of the Brookings Institution in Washington, DC. In 2006, he was a Visiting Distinguished Professor at Arizona State University. He is currently a Fellow of the Urban Land Institute. Dr. Lang is also a Planning and Development Fellow of the Lincoln Institute of Land Policy and a Visiting Fellow of the University of California. Prior to joining Virginia Tech, Dr. Lang was Director of Urban and Metropolitan Research at the Fannie Mae Foundation in Washington, DC.

Dr. Lang received a Ph.D. in Urban Sociology from Rutgers University, where he also taught sociology and urban studies. He was a Research Associate at the Center for Urban Policy Research at Rutgers University. Dr. Lang's research specialties include, suburban studies, demographic and spatial analysis, housing and the built environment, and metropolitan governance. He has authored over 100 academic and professional publications on a wide range of topics, and has developed many new urban planning concepts such as "Boomburbs," "Edgeless Cities," and "Megapolitan Areas."

Dr. Lang's research has been featured in the *USA Today*, *New York Times*, *Washington Post*, *Wall Street Journal*, *US News and World Report* and reported on by *NPR*, *CNN*, *MSNBC*, and *ABC World News Tonight*. Dr. Lang's latest work includes the book *Edgeless Cities: Exploring the Elusive Metropolis*, which is published by the Brookings Institution Press. He is also co-author of three edited volumes on the census titled *Redefining Urban and Suburban America: Evidence from Census 2000*, also by the Brookings Institution Press. Dr. Lang's just-finished book titled *Boomburbs: the Rise of America's Accidental Cities* is due out in the spring of 2007.
