

Michael Kremer

Michael Kremer is the Gates Professor of Developing Societies in the Department of Economics at Harvard University and Nonresident Senior Fellow at the Brookings Institution.

He is a Fellow of the American Academy of Arts and Sciences, a recipient of a MacArthur Fellowship and a Presidential Faculty Fellowship, and was named a Young Global Leader by the World Economic Forum. Kremer's recent research examines education and health in developing countries, immigration, and globalization. He and Rachel Glennerster published *Strong Medicine: Creating Incentives for Pharmaceutical Research on Neglected Diseases*, which won the Association of American Publishers Award for the Best Professional/Scholarly Book in Medical Science in 2004. He is a 2005 recipient of the International Health Economics Association's Kenneth J. Arrow Award for Best Paper in Health Economics. In 2006, *Scientific American* named him one of the 50 researchers of the year.
