# intra-party democracy in CPC: present and future

---

◆ the motivation for the development of intra-party democracy

◆ the development of the CPC's intra-party democracy

◆ the prospect of the CPC's intra-party democracy

# 1. the motivation for the development of intra-party democracy

---

● the desire to increase the party's political legitimacy

● the pressure from the development of the market economy

● innovative impulses from the local and primary-level organizations

# 1. the motivation for the development of intra-party democracy

---

- the desire to increase the party's political legitimacy

- ◆ the transformation from a revolutionary party into a ruling party

- ◆ strong ideology-oriented culture in CPC

# 1. the motivation for the development of intra-party democracy

---

- the desire to increase the party's political legitimacy

- the pressure from the development of the market economy

the path of orderly democracy

# 1. the motivation for the development of intra-party democracy

---

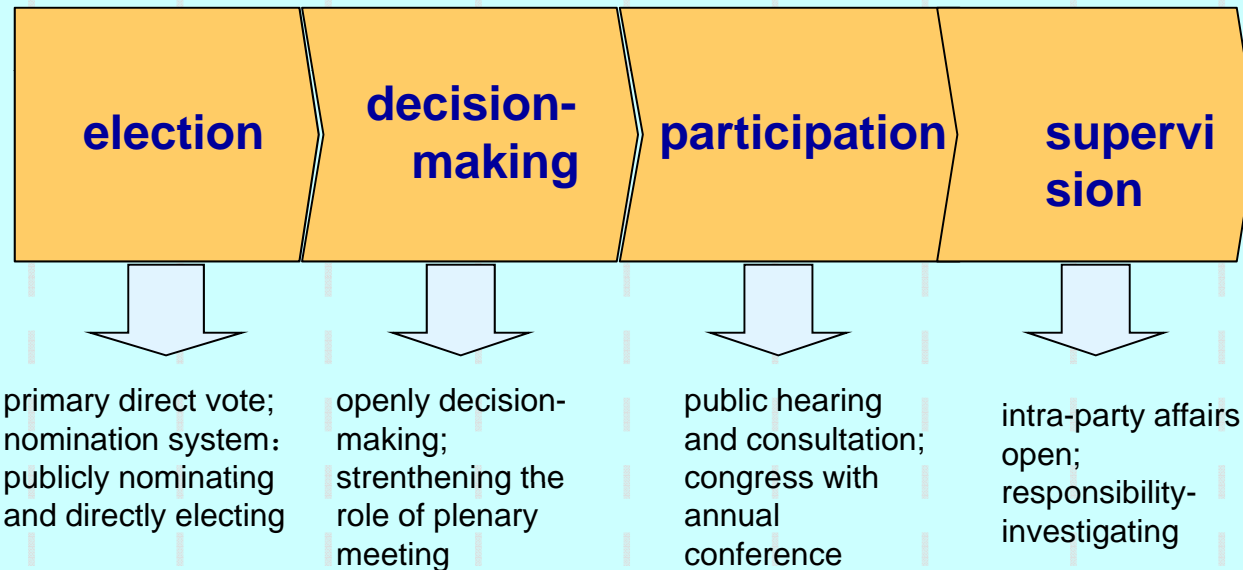

- the desire to increase the party's political legitimacy
- the pressure from the development of the market economy
- innovative impulses from the local and primary-level organizations

## 2. the development of the CPC's intra-party democracy

intra-party democracy as a system:

## 2. the development of the CPC's intra-party democracy

---

case 1.

changing the nomination system:

publicly nominate and directly vote for leading group  
(at the primary and township-level)

modes of nomination:

self;  
joint;  
organization

## 2. the development of the CPC's intra-party democracy

### case 2.

#### strengthening the role of the party congress :

- ◆ regular annual conference;
- ◆ the activity of the delegates: put forward proposals, interact with the people, observe standing committee meetings, and examine/discuss reports of the standing committee, etc.;
- ◆ permanent committees (or special groups): supervision committee, policy-making consultative committee, representative affairs committee (Sichuan Ya'an);

.....

## 2. the development of the CPC's intra-party democracy

### 3. the prospect of the CPC's intra-party democracy

---

#### A. the intra-party competitive elections

- ☀ What does "Party controls the cadres" (dang guan ganbu) mean?
- ☀ competitive party system and competitive politics

develop intra-party competition!

### 3. the prospect of the CPC's intra-party democracy

---

#### B. top-level planning about the intra-party democracy

unsolved problems:

- ▲ "ceiling" in intra-party reforms and innovations
- ▲ "departmentalist" and "fragmentary" reform

### 3. the prospect of the CPC's intra-party democracy

---

#### C. more space for innovation from the local and primary-level organizations

reduce the risk of reforms and innovations

the absence of risk prevention mechanism

assumption of reform risk

many thanks  
for your attention!
