**THE ASPEN INSTITUTE
THE BROOKINGS POVERTY AND GLOBAL ECONOMY INITIATIVE
THE ETHICAL GLOBALIZATION INITIATIVE**

**ASPEN, COLORADO
JULY 30- 31, 2004**

AGENDA

OBJECTIVE

The roundtable brings together key players on the frontlines of global poverty and at the highest levels of government and the private sector to lay out a forward looking strategy for the U.S. based on key challenges in poverty reduction, an understanding of what works, and a clear headed view of American interests and responsibilities. The intensive, off-the-record format is designed to stimulate a thought- provoking and concretely focused discussion. Co-hosted by Richard Blum of Blum Capital, the Brookings Institution Poverty and Global Economy Initiative, the Aspen Institute, and the Ethical Globalization Initiative, this meeting is held on the Aspen Institute campus and immediately precedes the summer meeting of the Aspen Strategy Group (ASG).
