【诗33:12】 以耶和華為神的
， 那國是有福的。他所揀選為
自己產業的，那民是有福的。

Blessed is the nation whose
God is the Lord , the people
he chose for his inheritance.

Psalms 33:12

“kingdom of heaven
is like a mustard
seed.....”

Technology.....

“There are **639 Nobel Prize Winners** from 1901 to 1996 (148 winners in Physics, 123 Chemistry, 159 Biology and Medicine, 91 Literature, 81 Peace, 37 Economy) , among whom **596 are Christians, account for 93.2%**; 8 Jews, 8 Buddhists, 4 Muslims, 2 Hindus and 21 others.”

—— *《Journal of China Religion》* ,
published by the State Bureau for China
Religious Affairs , Issue 2 in 2003

Democracy and Politics.....

Having examined the positive impact brought about by cultures on democracy, Samuel P. Huntington listed as follows, starting from the greatest ones: **Protestant, Catholic, Orthodox**, Confucianism, Islam and African cultures.

Huntington points out that the wide spread of Christianity in developing countries was a main cause of the third democratic wave. He said, *as of 1988, among the 46 Protestant Christian countries, 39 chose democratic system, accounting for 57% out of 68 Christian countries. In contrast, among 58 countries of other religions, 7 were democratic, only accounting for 12%.*

Developed Countries.....

United States, Japan, Germany,
France, UK, Italy, Canada (“G7”
) , Sweden, Denmark, Norway,
Finland, Belgium, Luxemboug,
Switzerland, Austria, Netherlands,
Australia, New Zealand.

North : It is the ideology or religious faith that determines a country's political system and ethics, which in turn determine what behavior is acceptable and what not...it is faith and ideology make people think what behavior is acceptable and what not.

Prof. Shileifer of Harvard University:

If you analyze how the religious faith has impact on the economic performance of a country, you will find that some are a hindrance factor. However, some others, like **Christianity, have positive impact on world peace, *i.e.*, long-term peace and fairness of the society.**

Robert J. Barro and
Rachel M. McCleary (2003) , *Religion and
Economic Growth* ,
Harvard University
April 8, 2003

Christianity has brought the expansion of civilization

Xiaokai Yang: Christian church has been miraculously in existence for over 2000 years. Although some other religions also have long history, **from economic perspective, Christianity is perhaps the only religious faith which will continuously cause the expansion of a social order.**

萬國圖小引

此物主化咸十二萬八千六百六十四行便經生事
 海次相連地有天之中形國而地有方水不遠焉東西
 南北之名上下中外之分人皆欲知所居所以定宜則
 無往非中也地雖廣大同一國體及於相連應以表其必
 取悅於天人有貴客一題南北二極冬夏一三經緯
 之度各三百有六十地固本微其以成然地雖圓則
 則度之以陸路並像重疊是畫之十而不免其為長
 形如割補皮而伸之者然天下萬方總分為五大洲
 曰亞細亞曰歐羅巴曰利未亞曰亞墨利加曰墨瓦
 呢尼加又此各洲中分大小無算之國小國不能盡
 舉也茲不過述其大約云耳地五洲之大為國之眾
 其於上天不為圖中之一點也其所居之邦又五洲
 之一點也吾之所居是又天邦之一點也今此大
 為何如乎我此大地之 大主又為何如乎則我正
 但圖中之一點而無處可見我大邦我身之在大邦
 雖為其微而一點畫小焉 造物主所賦自能統括
 天地而明天地萬物之 真主所謂人身一小天地
 也信爾以此形圖之至小則何處可有鄙僻之域凡
 此靈心之至大則無可自棄自賤之理未知乎此圖
 天地在目宜哉也哉

SAIPAN COMPACT

--- FOR THE GLORY OF GOD, FOR THE BLESSING TO THE WORLD

We, whose names are underwritten, a group of Chinese called by and belonging to the Lord, by the faith in Christ, for the glory of God, and advancement of the Chinese nation's civilization, set up this stone of memorial in this beautiful Saipan Island.

In the presence of God, solemnly and mutually, we covenant: Follow faithfully Biblical principles in developing and constructing the land; Keep local laws and decrees; Respect local people with birthright before the Lord; Nurture local civilization and culture; Cherish the ecological environment; Advocate righteousness, justice, peace, unity, harmony in a good developing order, having undertaken blessings to the region. We willingly make this our aspiration for all Chinese doing overseas investment, aiming to a city on a hill, a nation of integrity, and a blessing to the world.

“Justice and judgment are the habitation of thy throne: mercy and truth shall go before thy face.” The rise of China's civil society, starts from equal covenant, mutual love and respect.

In the name of Christ, Amen.

仰望星空

我仰望星空，
它是那样辽阔而深邃；
那无穷的真理，
让我苦苦地求索、追随。
我仰望星空，
它是那样庄严而圣洁；
那凛然的正义，
让我充满热爱、感到敬畏。
我仰望星空，
它是那样自由而宁静；
那博大的胸怀，
让我的心灵栖息、依偎。
我仰望星空，
它是那样壮丽而光辉；
那永恒的炽热，
让我心中燃起希望的烈焰、
响起春雷。

——温家宝

Looking Up the Sky Full of Stars

-- Wen Jiabao

I look up the Sky full of stars
how wide and deep you are

I am to follow you and to seek
for you are the Truth indeed

I look up the Sky full of stars
How solemn and holy you are

My heart burns with love and fears
For you awed me with your righteousness

I look up the Sky full of stars
How peaceful and free I feel
In your arms I am made anew...

I look up the Sky full of stars
How magnificent and shining you are
On my face your ever-lasting warmth blows
I hear the spring thunders like trumpet and drum
Bigger and bigger my hope grows...
