The background is a dark, textured space filled with a complex network of glowing blue and red lines and nodes. Several circular elements are scattered throughout, some containing binary code (0s and 1s) in a stylized, glowing font. The overall aesthetic is futuristic and technological, suggesting a digital or networked environment.

# International Alliance

# Free Flow of Information (Except Anger)

- Japan and the U.S. must embargo Chinese anger and their problems.
- We had better help the Chinese people and the Chinese government to solve their problems by an international alliance.
- There were numerous communication and perception gaps between Japan and the U.S. in 1930s and 1940s. We are not perfect yet!
