ADELE C. MORRIS

[https://www.brookings.edu/experts/adele-morris/
@AdeleCMorris](https://www.brookings.edu/experts/adele-morris/@AdeleCMorris)

- Leading global expert on the design and analysis of climate change policies
- Ph.D. economist with deep expertise in strategic economic and policy advising and analysis
- Conducts research that informs critical decisions related to climate change, energy, and fiscal policy
- Policymaking experience in White House, Treasury, State Department, and Congressional offices
- Strong communication skills, including in public speaking, print and video media, and technical/academic settings
- Proven ability to build consensus on contentious issues
- Extensive network of relationships with stakeholders in the energy and climate space
- Exceptional quantitative skills and financial acumen
- Demonstrated thought leadership and problem-solving abilities
- Special expertise and interest in issues related to climate, energy, natural resources, tax, fisheries, forestry, agriculture, and mining
- Detailed knowledge of regulatory, legislative, and diplomatic processes
- Extensive advisory board, steering committee, international commission, and federal advisory committee service

EXPERIENCE

The Brookings Institution, July 2008 - present

Joseph A. Pechman Senior Fellow (July 2020 – present)

Senior Fellow (January 2015 – June 2020); Fellow (July 2008 - December 2014)

Policy Director for the Climate and Energy Economics Project

Economic Studies Program

Joint Economic Committee of the U.S. Congress, July 2007 - July 2008

Senior Economist, Majority (Democratic) Staff

Microeconomic portfolio including climate, energy, natural resources, and air traffic.

U.S. Department of the Treasury, 1998 - 2007

Senior Economist, Office of Economic Policy

Informed and represented Treasury's positions on climate, energy, agriculture, and radio spectrum policies.

White House Domestic Policy Council, April 2001 - June 2001

Interagency Climate Review Working Group, Domestic Policy Council

Represented Treasury in Cabinet-level review of the Bush administration's climate policy.

U.S. Department of State, May 2000 - December 2000

ADELE C. MORRIS

Special Advisor/Economist, Office of Global Change
Led negotiations on land use, land use change, and forestry issues in international climate change agreements.

White House Council of Economic Advisers, 1997 - 1998

Senior Economist for Environmental Affairs
Wrote economic briefings for the President, wrote a chapter of the *Economic Report of the President*, and represented CEA in interagency working groups.

White House Office of Management and Budget, 1995 - 1997

Desk Officer, Office of Information and Regulatory Affairs
Oversaw rulemaking by agriculture and natural resource agencies and led interagency working groups on policy development. Enforced economic analysis requirements under E.O. 12866.

Princeton University, 1991-1995

Lecturer, Woodrow Wilson School of Public and International Affairs, 1994 - 1995
Teaching Assistant, Department of Economics, 1991 - 1994
Courses included public finance, introductory microeconomics, statistics, and econometrics.

University of Maryland University College, 1988-1989

Lecturer in Mathematics, U.S. military bases in Japan
Courses included algebra, trigonometry, calculus, and introductory computer science.

Spatial Technology, 1987-1988

Developed mathematical software for 3-D modeling of free-form curves and surfaces.

EDUCATION

Princeton University Ph.D. in Economics, 1999

Dissertation essays:

- “Property Tax Treatment of Farmland: Does Tax Relief Delay Land Development?”
- “State and Local Government Employment: Do Governments Respond Asymmetrically to Changes in Incomes?”
- “Energy Efficiency, Greenhouse Gas Emissions, and Soil Management in Crop Production”

University of Utah M.S. in Mathematics, 1987

Thesis: *Convexity of Bézier Curves and Surfaces*

Rice University B.S. in Mathematical Sciences & Art and Art History, 1985

ADELE C. MORRIS

EXECUTIVE EDUCATION

Harvard Business School Women on Boards: Succeeding as a Corporate Director,
November 26-30, 2018

SELECTED FELLOWSHIPS, GRANTS, AND HONORS

Judges' Choice Winner, MIT Center for Collective Intelligence Carbon Pricing Policy
Proposal Contest 2018;
Linden Trust for Conservation Grant 2015-16, 2016-17, 2017-18, 2018-19
Judges' Choice Winner, MIT Center for Collective Intelligence Carbon Pricing Policy
Proposal Contest 2014; one of three Honorable Mention prizes out of 18 contests and
600 climate proposal submissions
Laura and John Arnold Foundation Grant 2014-20
Alcoa Foundation Grant 2016-18
Listed in "100 People to Watch in the Fall," *The Hill*, 2013
National Science Foundation Grant (with the University of Nevada Las Vegas) 2013
Brookings Mountain West Fellowship 2009-2019
Alex C. Walker Foundation Grants 2012-13, 2013-14, 2014-15, 2015-16, 2016-17, 2017-18,
2018-19, 2019-20
Center on Global Energy Policy, Columbia University grant, 2019
Center for Climate and Energy Solutions Grant 2013
U.S. Department of Energy Grant 2010-12
Congressional Research Service Grant 2009
Energy Foundation Grant 2009
Individual Performance Awards, U.S. Department of the Treasury (2001, 2004, 2005, and
2006)
Superior Honor Award (Team Award): "For sustained exceptional performance in what
observers agree is the most complex negotiation ever undertaken by the U.S.
Government – the pursuit of a climate change agreement..." U.S. Department of State,
December 2000
Special Achievement Awards: Office of Management and Budget, 1996 and 1997
Group Honor Award for Excellence: U.S. Department of Agriculture, 1997
Princeton University Fellowship, 1990-1994
P.E.O. Scholar Award 1992

PUBLICATIONS – PEER-REVIEWED JOURNAL ARTICLES

"Revenue at Risk in Coal-Reliant Counties," *Environmental and Energy Policy and the
Economy*, volume 2, Kotchen, Stock, and Wolfram eds. 2021 (with Noah Kaufman and
Siddhi Doshi)

"Climate Change and Monetary Policy: Issues for Policy Design and Modelling," *Oxford
Review of Economic Policy*, Volume 36, Number 3, 2020, pp. 579–603. (with Warwick J.
McKibbin, Augustus J. Panton, and Peter J. Wilcoxon)

ADELE C. MORRIS

“Global economic and environmental outcomes of the Paris Agreement,” *Energy Economics*, available online 27 June 2020 (with Weifeng Liu, Warwick J. McKibbin, and Peter J. Wilcoxon)

“Housing supply elasticity, gasoline prices, and residential property values,” *Journal of Housing Economics*, 48 (2020) 101669 (with Helen R. Neill and N. Edward Coulson)

Comment on: Metcalf, Gilbert E. "On the Economics of a Carbon Tax for the United States." *Brookings Papers on Economic Activity*, vol. 2019 no. 1, 2019, p. 405-484.

“Introduction to the EMF 32 Study on U.S. Carbon Tax Scenarios,” *Climate Change Economics*, 9(1), 2018. (with Allen A. Fawcett, James R. McFarland, and John P. Weyant)

“Overview of economy-wide U.S. carbon tax strategies: Results from EMF 32,” *Climate Change Economics*, 9(1), 2018. (with James McFarland, Allen A. Fawcett, James R. Reilly, and Peter J. Wilcoxon)

“Policy insights from the EMF 32 study on U.S. carbon tax scenarios,” *Climate Change Economics*, 9(1), 2018. (with Alexander R. Barron, Allen A. Fawcett, Marc A. Hafstead, and James R. McFarland).

“The Role of Border Adjustments in a U.S. Carbon Tax,” *Climate Change Economics*, 9(1), 2018. (with Warwick J. McKibbin, Peter J. Wilcoxon, and Weifeng Liu).

“Reforming the U.S. coal leasing program,” *Science* 354 (6316), pp. 1096-1098, 2016. (with Kenneth Gillingham, James Bushnell, Meredith Fowlie, Michael Greenstone, Charles Kolstad, Alan Krupnick, Richard Schmalensee, and James Stock).

“Are New Homes Special?” *Real Estate Economics*, published online 2016. Print issue: Volume 47, Issue 3, pp. 784-806 (with N. Edward Coulson and Helen R. Neill)

“Carbon Taxes and U.S. Fiscal Reform,” *National Tax Journal*, 68(1), pp. 139-159, March 2015. (with Warwick J. McKibbin and Peter J. Wilcoxon).

“A Proposal to Integrate Price Mechanisms into International Climate Negotiations,” *Asia and the Pacific Policy Studies*, 1(3), pp. 600-608, 2014. (with Warwick J. McKibbin and Peter J. Wilcoxon)

“Pricing Carbon in the United States: A Model-Based Analysis of Power Sector Only Approaches,” *Resource and Energy Economics* 36, pp. 130-150, 2014. (with Warwick J. McKibbin and Peter J. Wilcoxon),

PROFESSIONAL SERVICE AND ACTIVITIES

Committees and Professional Organizations

Member and Work Stream Lead on Scenarios: U. S. Commodity Futures Trading Commission Climate-Related Market Risk Subcommittee, 2020

Working Group to develop a framework document as input to the third Vatican Dialogue on Energy Transition and Our Common Home, under the auspices of Vatican Dialogues, the Dicastery for Promoting Integral Human Development, and the University of Notre Dame, Spring 2020

High-Level Carbon Pricing Commission (Co-Chairs: Joseph Stiglitz and Nicholas Stern), and contributing to *Report of the High Level Commission on Carbon Prices*, Carbon Pricing Leadership Coalition, May 29, 2017

Association of Environmental and Resource Economists (AERE)

American Economic Association

National Tax Association

Co-Chair: Energy Modeling Forum 32: Multi-model Analyses of Clean Air Act Regulation of CO₂ from Power Plants and a US Carbon Tax with Alternative Revenue Recycling Approaches, 2014-2018

Steering Committees: Energy Future Coalition, United Nations Foundation, 2014-16
Pricing Carbon Dialogues, 2014-20

Alexandria City Public Schools, Talented and Gifted Advisory Committee 2009-2013

Conference Committees and Organizing

Co-Organizer of the Australian National University (ANU)/Brookings Workshop on the Global Economy, The Brookings Institution, February 23-25, 2021

Organizer, Workshop: “How could the U.S. Federal Reserve and other financial market supervisors incorporate climate considerations into their responsibilities?” Brookings, October 6, 2020

Program Committee, National Tax Association Annual Conference, Fall 2020

Co-Organizer of the Australian National University (ANU)/Brookings Workshop on the Global Economy, The Brookings Institution, February 10-11, 2020

Scientific Committee: Research Conference on Carbon Pricing, Carbon Pricing Leadership Coalition, Winter 2019

ADELE C. MORRIS

- Co-Organizer of the ANU/Brookings Workshop on “Disruption and Development: Alternative Futures of the Global Economy,” The Brookings Institution, February 4-5, 2019
- Session organizer, World Congress of Environmental and Resource Economists, Gothenburg, Sweden, June 2018
- Co-Organizer of ANU/Brookings Workshop on “The Global Economy: Drivers for the Next Decades,” Brookings, March 6-7, 2018
- Organizer: Brookings workshop on “Making Border Carbon Adjustments Work in Law and Practice,” February 28, 2018
- Co-Organizer of the ANU/Brookings Workshop on “The Global Economy: Drivers for the Next Decades,” held at The Brookings Institution, May 31 –June 1, 2017
- Co-Organizer: Brookings event on “Carbon Pricing and the Future of Global Climate Cooperation,” April 19, 2017
- Co-Organizer: Meeting of Energy Modeling Forum 32: U.S. Study on Power Sector and Carbon Tax Scenarios, held at The Brookings Institution, February 2-3, 2017
- Co-Organizer: Meeting of Energy Modeling Forum 32: U.S. Study on Power Sector and Carbon Tax Scenarios, held at The Brookings Institution, March 29-30, 2016
- Co-Organizer of the ANU/Brookings Workshop on “The Global Economy by 2020: Pressures and Prospects,” held at The Brookings Institution, March 8-9, 2016
- Organizer: Brookings event on “States’ implementation of EPA’s Clean Power Plan: What are the prospects and options?” February 22, 2016
- Organizer: Brookings conference on “Building a Better Future for Coal Workers and Their Communities,” November 13, 2015
- Co-Organizer: Meeting of Energy Modeling Forum 32: U.S. Study on Power Sector and Carbon Tax Scenarios, held at The Brookings Institution, June 9-10, 2015
- Session organizer, AERE Conference, San Diego, California, 2015
- Co-Organizer of the ANU/Brookings Workshop on “Growth Prospects and Fragilities in the Global Economy,” held at The Brookings Institution, March 17-18, 2015
- Session organizer, National Tax Association, Spring Symposium, 2015
- Organizer and Research Paper Coordinator and Editor: Brookings event on “New Directions for Public Sector Spectrum Policy,” September 23, 2014
- Co-Organizer of the ANU/Brookings Workshop on “Scenarios for a Fragile Global Economy,” held at The Brookings Institution, March 4-5, 2014
- Session organizer, AERE Conference, Banff, Canada 2013
- Program Committee for Telecommunications Policy Research Conference 2012
