Eliminate Travel, Maximize Impact

Enact an agencywide cultural shift by having Brookings Executive Education (BEE) delivered to your people, anywhere in the world. Every *BEE with YOU* course offers the very same cutting-edge instruction you receive in our classrooms and allows everyone on your team to learn the same content and experiment together in its application. Learn from some of the best educators in the country. Receive credit toward the

Master of Science in Leadership degree or *Certificate in Public Leadership*. Courses can even be purchased under Simplified Acquisition Procedures.

To foster alignment of goals and priorities, leadership development managers are recognizing the need to effect change at the organizational level—rather than merely on an individual basis. *BEE with YOU* has become a critical alignment tool in many agencies' arsenals.

Brookings Executive Education

An Innovative Way to Stretch Training Investment

Purchasing our leadership or policy courses for on-site delivery eliminates participant travel expenses and substantially lowers your per-attendee cost. Up to 30 people in your organization can attend a single *BEE with YOU* course without ever leaving the agency.

BEE with YOU participants enjoy the same excellent curriculum and presenters as those who take courses at our facilities. By eliminating the design time and expense of highly tailored courses, *BEE with YOU* provides a cost-effective approach to learning and performance improvement. Most courses can be purchased under Simplified Acquisition Procedures. *BEE with YOU* is an affordable, efficient, and strategic solution for developing your people.

Executive Pathways Leadership Courses

Select from among 24 courses, each based on an Office of Personnel Management Executive Core Qualification (OPM ECQ) competency. Courses may be delivered in a one- or two-day format. To help guide your selection of courses, we will provide 25 leadership assessments at no cost to help you identify the development areas most critical for your organization.

Managing the Federal Employee Course

In this lively program, you will learn practical tools to expertly manage performance issues among your employees. Strengthen skills to handle your most difficult employment issues, boost morale in the workplace, improve productivity, and avoid damaging lawsuits.

Inside Government Series Courses

How does the federal government really operate? Our *Inside Government* series brings the capital city to life, providing you with an awareness of how and why federal processes work. While nothing can replace the impact of learning about how government works in the halls of government itself, we can provide on-site seminars on politics and policymaking.
