Group of 8 Universities (2020) COVID-19 Roadmap to Recovery - A Report for the Nation.
<https://go8.edu.au/wp-content/uploads/2020/05/Go8-Road-to-Recovery.pdf>

McKibbin W. (2015) “Report 1: 2015 Economic Modelling of International Action Under a new Global Climate Change Agreement”, Report to Department of Foreign Affairs and Trade, 20 August 2015.

McKibbin W. (2015) “Report 2: Economic Modelling of Australian Action Under a new Climate Agreement”, Report to Department of Foreign Affairs and Trade, 20 August 2015.

McKibbin W, Lee K, Park H, Cai Y (2011) “Carbon Trading in the Asia Pacific: A Model-Based Analysis”, Report for POSCO TJ Park Foundation Research Project.

McKibbin W, Morris A, and P Wilcoxon (2010) “Subsidizing Energy Efficient Household Capital: How Does It Compare to a Carbon Tax?”, Report for The Brookings Institution, Washington DC, 25 October.

McKibbin W. and W. Chanthapun (2009) “Exchange Rate Regimes in the Asia Pacific Region and the Global Financial Crisis”, background paper for the Asian Development Bank Project on Quantifying the Costs and Benefits of Regional Economic Integration”.

McKibbin W. (2009) “The Short to medium Run Economic Costs of Alternative Emission Reduction Scenarios” Background paper prepared for the Australian Treasury Report on “Australia’s Low Pollution Future: The Economics of Climate Change Mitigation”.

McKibbin W. and D. Pearce (2007) “Timing Competitiveness and Carbon Prices” report to Australian Greenhouse Office.

McKibbin W. (2007) “Scenarios for the Indian economy: Results from the G-Cubed Model”, report to the Australian Treasury.

McKibbin W. and A. Sidorenko (2006) ‘Global Macroeconomic Consequences of an Influenza Pandemic’, report prepared for Tudor Investments, New York.

Batini, N., Callen T. and W. McKibbin (2005) “Global Impact of Demographic Change”, background paper prepared for the IMF World Economic Outlook, September 2004.

McKibbin W.J. and A. Stegman (2004) “Convergence and Per Capita Carbon Emissions”, report to the Australian Greenhouse Office.

- McKibbin W., D. Pearce and A. Stegman (2004) “Long-Run Projections for Climate Change Scenarios”, paper prepared for the Australian Greenhouse Office.
- McKibbin W. (2004) “Economic Modelling of SARS: The G-Cubed Approach” paper prepared for the “Handbook on the Rapid Assessment of the Economic Impact of Public Health Emergencies of International Concern”. World Health Organization.
- McKibbin W. (2002) “The Lowy Institute: Planning Document (Confidential)” 18 pages; prepared for Mr Frank Lowy AC.
- McKibbin W. and W. Woo (2002) “The Global Economic Impact of China’s Accession to the WTO” report to the OECD, September.
- McKibbin W. (2002) “Projections of Greenhouse Gas Emissions for the Stationary Energy Sector to 2020: Results from the G-Cubed Model”, report prepared for the Australian Greenhouse Office, Canberra. June.
- McKibbin W. (2002) “Modelling Results for the Kyoto Protocol: Sensitivity Analysis”, report prepared for the Australian Greenhouse Office, Canberra.
- McKibbin W. (2002) “Modelling Results for the Kyoto Protocol”, report prepared for the Australian Greenhouse Office, Canberra.
- McKibbin W. (2001) “Japan and Asia: Policies and Prospects”, prepared for the International Monetary Fund, Washington DC.
- Berklemens, L., Davis, L., McKibbin, W. and A. Stoeckel (2001) “Economic Impacts of an Australia – United States Free Trade Area”, Centre for International Economics, Canberra. 112 pages.
- McKibbin W. (2001) “Three Scenarios for the World Economy” Report prepared for the Australian Treasury.
- McKibbin W. (2001) “Some Implications of a Loss of Confidence in Japan” Report prepared for the Office of National Assessment, Australian Government.
- McKibbin W. (2000) “The Likely Impact of the New Tax System on the Australian Exchange Rate and Domestic Oil Prices” report prepared for the ACCC.
- McKibbin W. and P. Wilcoxon (2000) “Global Costs of Policies to Reduce Greenhouse Gas Emissions Final Report”. Report prepared for the Office of Policy Analysis, U.S. Environmental Protection Agency
- McKibbin W. and D. Pearce (2000) “Early Action Simulations: Results from G-Cubed” Centre for International Economics, Report prepared for the New Zealand Ministry of Environment, 57 pages.

- McKibbin W. and A. Stoeckel (1999) "East Asia's Response to the Crisis: A Quantitative Analysis", Report prepared for The World Bank.
- McKibbin W. and P. Wilcoxon (1999) "Global Costs of Policies to Reduce Greenhouse Gas Emissions Year 1 of Phase 3". Report prepared for the Office of Policy Analysis, U.S. Environmental Protection Agency
- McKibbin W. and P. Wilcoxon (1998) "Global Costs of Policies to Reduce Greenhouse Gas Emissions 1995-1998". Report prepared for the Office of Policy Analysis, U.S. Environmental Protection Agency.
- McKibbin W. (1998) "Simulation Results for the Impact on Australia of Controls on International Capital Flows" paper prepared for Department of Foreign Affairs and Trade.
- McKibbin, W. and W. Martin (1998) "The East Asia Crisis: Investigating Causes and Policy Responses" World Bank (mimeo), Background Paper for the World Bank Report *East Asia: The Road to Recovery*, The World Bank
- Centre for International Economics (1997) "Economics Benefits from an AFTA-CER free trade area" vols 1 and 2, Centre for International Economics report prepared for the MTIA and Australian Food Council (94 pages).
- McKibbin W. and D. Pearce (1997) "Impacts on the New Zealand economy of commitments for abatement of carbon dioxide" Report to the New Zealand Department of Commerce. 85 pages.
- Haites E. Bashmakiv I. McKibbin W. and P. Shukla (1997) "The Economics Impacts of Annex I Actions on All Countries" Report on an IPCC Workshop held in Oslo, Norway, 18-20 August.
- McKibbin W.J. (1997) "Modelling Results of Projections of Future Australian Greenhouse Emissions: IV" Report to Environment Australia, Canberra.
- McKibbin W.J. (1997) "Modelling Results of Projections of Future Australian Greenhouse Emissions: III" Report to the Australian Department of Environment, Sport and Territories, Canberra.
- McKibbin W.J. (1997) "Modelling Results of Projections of Future Australian Greenhouse Emissions: An Update" Report to the Australian Department of Environment, Sport and Territories, Canberra.
- McKibbin W.J. (1996) "Review of Economic Properties in FPS: The Reserve Bank of New Zealand Forecasting and Policy Model". Report to the Reserve Bank of New Zealand.

- McKibbin W.J. (1996) "Modelling Results of Projections of Future Australian Greenhouse Emissions" Report to the Australian Department of Environment, Sport and Territories, Canberra.
- McKibbin W.J. (1996) "The Macroeconomic Experience of Japan 1990 to 1995: An Empirical Investigation" Report to the Australian Department of Foreign Affairs and Trade.
- McKibbin W.J. (1995) "Modelling Results for a Small Greenhouse Levy: Results from the G-Cubed Multi-Country Model" Report to the Australian Department of Environment, Sport and Territories, Canberra.
- McKibbin W.J. (1994) "Trade Liberalization in Manufactures between Australia, Japan and the United States: Results from the G-Cubed Multi-Country Model" background report prepared for the Office of EPAC for *Regional Trading Arrangements* Background Paper no 40.
- McKibbin (1994) "The Consequences of Fiscal Consolidation in the OECD" prepared as a background paper for the World Bank report on "Global Economic Prospects".
- McKibbin W. and P. Wilcoxon (1994) "Global Costs of Policies to Reduce Greenhouse Gas Emissions III". Report prepared for the Office of Policy Analysis, U.S. Environmental Protection Agency. 542 pages
- McKibbin W.J. (1994) "Carbon Taxes in Australia: Some Notes on Preliminary Results from the G-Cubed Multi-Country Model" Background paper prepared for the Australian Senate Enquiry into *Carbon Taxes and Greenhouse Gas Emissions*.
- McKibbin W.J. (1994) "Global Interest Rate Linkages" Background Paper prepared for the National Farmers Federation Report on *Are Long Term Interest Rates Too High*.
- Congressional Budget Office (1993) *Budgetary and Economic Analysis of the North American Free Trade Agreement*. 113 pages. U.S. Government Printing Office. Consultant.
- McKibbin W. and P. Wilcoxon (1993) "Global Costs of Policies to Reduce Greenhouse Gas Emissions II" Report prepared for the Office of Policy Analysis, U.S. Environmental Protection Agency on the 2nd year results from a multi-year research grant.
- McKibbin W. (1993) "A Modelling Approach to Global Growth With Resource Constraints" paper prepared for the United Nations University advisory team on Environment and Sustainable Development.
- Congressional Budget Office (1993) *The Economic Effects of the Savings and Loan Crisis* 63 pages, U.S. Government Printing Office. Consultant
- Congressional Budget Office (1993) *The Economic Effects of Reduced Defense Spending* 52 pages, U.S. Government Printing Office. Consultant

McKibbin W. and P. Wilcoxon (1992) "Global Costs of Policies to Reduce Greenhouse Gas Emissions I" Report prepared for the Office of Policy Analysis, U.S. Environmental Protection Agency on the 1st year results from a multi-year research grant.,

Congressional Budget Office (1991) *How the Economics Transformations in Europe Will Affect the United States* 140 pages, U.S. Government Printing Office. Consultant

McKibbin W. (1989) "Prospects for the Australian Economy" report prepared for American Airlines.

McKibbin, W.J. and G. Elliott (1989) "Foreign Debt Stabilization Scenarios for Australia", Background Paper for EPAC Study on Foreign Debt Stabilization, April 1989.

Sachs J. and W.J. McKibbin (1985) "Macroeconomic Policies in the OECD and LDC External Adjustment", Background Paper for *1985 World Development Report*, World Bank.
