

CURRICULUM VITAE

Revised:
November 2006

Name: Santiago Levy Algazi.

Date of Birth: January 16, 1956.

Nationality: Mexican.

Languages: Spanish / English.

Marital Status: Married, 2 daughters.

Contact Information: Phone: 5292-1535; 5292-1578
e-mail: santiagolevy@prodigy.net.mx.

Education: **Post-Doctoral Fellow**, Cambridge University,
Faculty of Economics and Politics, January – September, 1981.

PhD in Economics, Boston University (Honorary Mention),
January 1980.

Masters in Political Economy, Boston University, May 1978,

Bachelor of Arts in Economics, Boston University (Magna Cum Laude),
December 1976.

Current positions:

Non-Resident Senior Fellow, The Brookings Institution.

Independent research in the areas of decentralization, labor markets, social protection and social security, poverty alleviation, equity and productivity. Current work involves: (i) study of the incentive compatibility between various social programs and their impact on productivity and growth; (ii) the link between targeted poverty programs and general social programs; (iii) institutional design of social programs and their relation to scale and sustainability; (iv) the political economy of rent-seeking, equity and competitiveness; and (v) preventive approaches in the delivery of public health services.

Official Positions in Mexico:

General Director, Mexican Social Security Institute,
December 2000 – October 2005.

(Promoted changes to the Social Security Act to reform pensions and

extend coverage to rural workers; responsible for providing health services to 45 million people, introducing large scale preventive health programs and electronic medical records; managed pensions and disability benefits for 2.5 million people and day-care centers for 230,000 children; invested US\$ 8 billion in reserves; collected annually US\$ 20 billion in social security contributions; negotiated a social security agreement with the United States Government; started a Foundation for health research, and a news magazine to foster preventive health.)

Deputy Minister, Ministry of Finance and Public Credit,
December 1994 - November 2000.

(Main architect of *Progres-a-Oportunidades*, Mexico's incentive-based health, nutrition and education program for the poor; managed the transition from generalized to targeted food subsidies; promoted legal reforms to decentralize resources to states and municipalities; participated in the change from the pay-as-you-go to the capitalized pension system; promoted a regional plan to develop Mexico's southern region; and drafted and negotiated six budgets with the Federal Congress.)

President, Federal Competition Commission,
June 1993 - December 1994.

(First president of Mexico's anti-trust agency, with oversight authority over mergers and anticompetitive business practices; directed cases on retail gasoline distribution by the public oil monopoly company, and on collusion by private banks in government bond auctions.)

Director, Economic Deregulation Program, Ministry of Trade and Industrial Promotion, February 1992 - June 1993.

(Drafted the Economic Competition Act; worked on deregulating the public electricity monopoly company to allow for independent power producers, and on opening the private telephone monopoly company to long-distance competition.)

Academic Positions:

Associate Professor of Economics (tenured), Boston University,
September 1989 - May 1993.

Director, Institute for Economic Development, Boston University,
September 1989 - August 1990.

Assistant Professor of Economics, Boston University,
September 1983 - August 1989.

Associate Researcher, Center for Latin American Development Studies,
Boston University, January 1983 - August 1988.

Professor of Economics, Instituto Tecnológico Autónomo de México,
March 1979 - December 1982.

Consulting Experience:

World Bank, Poverty Alleviation Policies,
Brazil (March 2003); Egypt (February 2005); Mauritius (Sep. 2006).

Government of Indonesia, Trade and Development Policies,
June – August 1988 and July - August 1990.

Inter-American Development Bank, Export Promotion in Bolivia,
July - August 1987.

United Nations Development Program, Trade Policy for Peru,
August - December 1986.

International Labour Organization, Trade Policy for Venezuela,
April - June 1985.

Government of Ecuador, Industrial Policy,
March - December 1984.

Inter-American Development Bank, Industrial Policy in Latin
America, May - December 1983.

Council of Economic Advisors to the President of Mexico,
Energy Policy, September 1981 - May 1982.

Economic Consultant, Banco Nacional de México,
March 1979 - December 1982.

Short Consulting:

World Bank; Inter-American Development Bank; United Nations
Development Program; Ford Foundation; Harvard Institute for
International Development; International Labor Organization;
Organization for Economic Cooperation and Development.

Awards and Invitations:

First Place, **National Research Prize in Economics 1992**, granted by Banco Nacional de México for the article "La Pobreza en México".
