Education

Fellowship, Pediatric Cardiology Children's Hospital/Harvard Medical School, Boston, MA	2002-2005
Residency, Pediatrics Children's Hospital/Harvard Medical School, Boston, MA	1997-2000
Dean's Research Fellowship in Immunology/Cell Biology Johns Hopkins School of Medicine, Baltimore, MD	1995-1996
M.D. Johns Hopkins School of Medicine, Baltimore, MD	1992-1997
A.B., Biology and American Politics (magna cum laude) Harvard University, Cambridge, MA	1988-1992

Professional and Academic Appointments

Merkin Fellow for Finance Reform and Clinical Leadership, and Managing Director, Engelberg Center for Health Care Reform Brookings Institution Washington, DC	2013-current
Associate Professor of Pediatrics Department of Pediatrics, University of Massachusetts Medical School Worcester, MA	2011-current
Chief, Division of Pediatric Cardiology Department of Pediatrics, University of Massachusetts Medical School Worcester, MA	2008-2013
Assistant Professor of Pediatrics Department of Pediatrics, University of Massachusetts Medical School Worcester, MA	2005-2011
Adjunct in Cardiology Children's Hospital, Boston	2008-current

Boston, MA	2005-2006
Acting Chief, Division of Pediatric Cardiology Department of Pediatrics, University of Massachusetts Medical School Worcester, MA	2000-2002
Adjunct Assistant Professor of Pediatrics Dartmouth Medical School Hanover, NH	

Other Professional Activities and Positions

Pediatrician U.S. Indian Health Service (Navajo area) Gallup Indian Medical Center, Gallup, NM	2000-2002
--	-----------

Licensure and Certifications

Board Certified in Pediatric Cardiology, American Board of Pediatrics (next recertification in 2015)	2008-current
Board Certified in Pediatrics, American Board of Pediatrics (next recertification in 2014)	2000-current
Massachusetts Board of Registration in Medicine	2000-current

Honors and Awards

Competitive Fellowship Programs

National Finalist, White House Fellows program	2011, 2012
Physician Leadership Development Program, UMassMemorial Medical Center/University of Massachusetts Medical School, inaugural class member	2011-2012
Introduction to Quality Improvement for Physicians (intensive course), Intermountain Institute for Healthcare Delivery, Salt Lake City, UT	11/2012
Selected course participant, Value-Based Health Care Delivery Intensive Seminar (taught by Prof. Michael Porter) Harvard Business School, Cambridge, MA	2010
Visiting Fellow, Medical Evidence Boot Camp MIT/Knight Journalism Center, Cambridge, MA	2008
Visiting Kaiser Media Fellow Kaiser Family Foundation, Menlo Park, CA	2004-2005

Awards

Named a Top Doctor (peer chosen), U.S. News & World Report	2013
Pediatric Chief Resident's Teaching Award, University of Massachusetts Medical School	2011
Invited nominator, MacArthur Fellows Program	2011

National Health Information Award for article, "Pain-Relief Secrets," from 6/2009 issue of <i>Parents</i> magazine	2010
Pediatric Chief Resident's Teaching Award, University of Massachusetts Medical School (inaugural recipient)	2009
Outstanding Clinical Educator Award, chosen by pediatrics junior residents, University of Massachusetts Medical School	2006
Finalist, Massachusetts Medical Society Medical Technology Award	2005
American Academy of Pediatrics Community Access to Child Health (CATCH) award	2001-2002
Finalist, Bain Capital Business Plan Competition, Boston, MA	2000
Winner, Wharton Business Plan Competition, Philadelphia, PA	2000
American Academy of Pediatrics Resident Research Award	1998-2000
Paul Schliesman Traveling Fellowship, awarded for medical research in Nairobi, Kenya	1999
Harold Lamport Memorial Research Award	1995-1996
Andrew Watson Sellards Traveling Fellowship, awarded for tuberculosis research in Lima, Peru	1995
Johns Hopkins Alumni Public Service Award, awarded for community-based epidemiology in Frankfort, KY	1993
Derek Bok Teaching Award (Harvard University, Cambridge, MA)	1992

Notable Invitations

Invited (funded) participant, Renaissance Weekend (founded by Linda and Philip Lader, former ambassadors to the Court of St. James), meetings attended in AZ, SC, and CA	2009-current
Annual invited participant/speaker, Kellogg Innovation Network Kellogg School of Business, Northwestern University, Evanston, IL	2009-current
Invited (funded) participant, "Health Workers on the Move: Stories Told and Untold," Narrative Matters conference, sponsored by Health Affairs, Warrenton, VA	2007

Professional Memberships and Activities

American Heart Association, Legislative Committee (Northeast Affiliate)	2005-current
American College of Cardiology	2005-current
Fellow, American Academy of Pediatrics	2000-current
Massachusetts Medical Society	1997-current

Editorial Responsibilities

Medical Journals

American Journal of Cardiology, ad hoc reviewer	2006-current
Archives of Pediatrics and Adolescent Medicine, ad hoc reviewer	2008-current
Pediatrics, ad hoc reviewer	2004-current
Journal of Sexual Medicine, ad hoc reviewer	2008-current
Journal of the American Medical Association (JAMA) Senior Editor, Medical Student Section	1995-1997

National Media

Health care columnist, <i>Slate</i> magazine	2006-current
Contributing editor, <i>Parents</i> magazine	2009-current
Frequent contributor, <i>The New York Times Magazine</i> , <i>The Washington Post</i> , <i>The Boston Globe Magazine</i> , <i>The New York Times Science Times</i> , <i>The Boston Globe</i> op-ed	2005-current
Expert Network Member, Luminari and BeWell.com	2008-current
Frequent guest, <i>The First Year</i> , <i>Parents TV</i> (Comcast On-Demand)	2007-2008
Medical expert (Pediatrics), iVillage.com	2006-2008
Frequent guest, NBC's <i>Today Show</i>	2006-current
Commentator, NPR's <i>All Things Considered</i>	2004-current
Health columnist ("Pediatric Perspective"), <i>The Boston Globe</i>	2003-2006

Educational Activities

Teaching responsibilities (students, residents, and fellows)

Pediatric cardiology resident and medical student clerkship, University of Massachusetts Medical School (4 hours/week direct resident and student supervision/teaching)	2005-current
Invited Visiting Lectureship in Biology, University of Georgia (Athens)	2006
Medical School Faculty Mentor Program, University of Massachusetts Medical School (mentor 1 medical student yearly, 2 hours/month)	2005-current
Pediatric Resident Cardiology Core Lecture Series, University of Massachusetts Medical School (4 x 90 minute core residency lectures per year), Monthly EKG conference (1 hour monthly), and Weekly Pediatric EKG Challenge (1/2 hour/week)	2005-current
Preceptor, General Pediatrics Clerkship for Dartmouth Medical School, rotation in Navajo clinic in Gallup, NM	2000-2002
Teaching fellow, Biology Department, Harvard College	1990-1992

Course Directorships

Dean-appointed member, Capstone Faculty Committee, University of Massachusetts Medical School	2012-current
---	--------------

Director, Pediatric cardiology resident and medical student clerkship, University of Massachusetts Medical School	2006-2009
Course developer/director, Advanced Fetal Care Services & Monthly Case Conference, University of Massachusetts Medical School, Worcester, MA (1 hour monthly)	2009-current
Cardiac block developer/director, DSF course (1 st year integrated physiology/anatomy, developed plan for 80 hours of course time), University of Massachusetts Medical School	2009
Co-Coordinator, Adult Congenital Heart Disease Conference, University of Massachusetts Medical School, Worcester, MA (1 hour monthly)	2008-current
Course developer/director: "Ethics Challenges in Pediatrics Research", Kaiser Media Fellowship Program for minority journalists, Children's Hospital, Boston (2 day course)	8/2005
Course developer/director: "Advocacy Issues in Pediatric Health Kaiser Media Fellowship Program for minority journalists, Children's Hospital, Boston (2 day course)	9/2004

Teaching Awards

Pediatric Chief Resident's Teaching Award, University of Massachusetts Medical School (inaugural recipient in 2009, repeat winner in 2011)	2011, 2009
Outstanding Clinical Educator Award, chosen by pediatrics residents, University of Massachusetts Medical School	2006
Master Teacher, Harvard Medical School	2004-2005
Derek Bok Teaching Prize (Harvard College, Cambridge, MA)	1992

Research Supervision/Trainees

Michelle Trivedi (UMass MD '09): Supervised project on Chagas disease screening in Mexican blood banks, culminating in peer-reviewed journal publication in 2010; now in pediatrics residency at Mass General.

Parag Goyal (UMass MD '10): Supervised project on psychiatric screening tool, culminating in poster presentation at UMass; now in residency at Columbia University.

Meaghan Doherty (UMass MD '10): Supervised project on universal pulse oximetry screening of newborns, culminating in the state's first screening program to screen all newborns for congenital heart disease. Now in residency at Hasbro Children's.

Laura Lewondowski (UMass Peds Resident '10): Supervised project on folic acid biochemistry (Maternal autoantibodies to folate receptor in pregnancies complicated by a conoventricular cardiac malformation (Approved by Children's Hospital IRB, 5/2004, UMass IRB 2/2008), published 3/2013. Mentee accepted for fellowship training in pedi rheumatology at Duke Medical Center.

Sophia Delano (UMass MD '11): Supervised project on beta-blocker safety in treatment of infantile hemangioma, currently under

evaluation by UMass IRB.

Anna Shifrin (UMass MD '11): Supervised manuscript regarding statin treatment of young children, culminating in peer-reviewed journal publication in 2008.

Amanda Johnson (UMass MD '12): Supervised senior scholar's project to create a parent experience analysis and support group for families affected by congenital heart disease in Central MA.

William Bortcosh (Umass Peds Resident '14): Supervised project to analyze and report results of neonatal pulse oximetry program, and reported results to MA Dept. of Public Health

Kevin Jillson (UMass MD '13): Supervised project on cardiac screening of high school athletes; abstract accepted at regional Ambulatory Pediatric Association meeting
