

State	Locality	Region	Referral	Category	Measure Summary	Result
Alabama	STATEWIDE	S	LR	Economic Development	Amendment 1. Constitutional amendment to establish trust funds for capital improvements and to authorize the issuance of \$350 million in General Obligation bonds for improvements to port facilities such as the state dock in Mobile and to promoting economic development and industrial recruitment.	Approved 63%
Alabama	STATEWIDE	S	LR	Economic Development	Amendment 3. Constitutional amendment to provide that counties and municipalities in Alabama receive a minimum of 10 percent of the trust income from the Alabama Trust Fund when the trust income in the preceding fiscal year exceeds \$60 million.	Approved 70%
Alabama	<i>Chilton County</i>	S	LR	Economic Development	Constitutional Amendment 6. Authorizes Chilton County and its municipalities to perform certain actions for the purpose of economic and industrial development	Approved 59%
Alabama	<i>Choctaw County</i>	S	LR	Infrastructure: Transportation	Local constitutional amendment. Authorizes Choctaw County to levy 8 mill ad valorem tax for county road and bridge fund	Failed 55%
Alabama	<i>Clay County</i>	S	LR	Economic Development	Local constitutional amendment. Creates public corporation to help Clay County or its municipalities promote economic development	Approved 69%
Alabama	<i>Mobile County</i>	S	LR	Infrastructure: Transportation	\$60 million "pay as you go" bond for roads, bridge and drainage financed by special property tax of 6.5 mills	Approved 73%
Alabama	<i>Randolph County</i>	S	LR	Economic Development	Local constitutional amendment. Creates public corporation to help Randolph County or its municipalities promote economic development	Approved 61%
Arizona	STATEWIDE	W	CI	Growth Management/Regulation	Proposition 202. Citizen's Growth Management Initiative. Constitutional amendment to require most cities and counties to adopt growth management plans and urban growth boundaries; authorize impact fees to meet full costs of public services; improve county subdivision review. Voter approval would be needed for most development outside urban growth boundaries. Citizens could adopt plans and amend urban growth boundaries by initiative	Failed 70%
Arizona	STATEWIDE	W	LR	Open Space/Natural Resources/ Recreation	Proposition 100. Constitutional amendment to designate 70,000 acres of state trust land for permanent conservation; create a framework for designating 200,000 more acres; set guidelines for exchanges of trust lands and donations for school sites; and extend agricultural and grazing leases beyond ten years without auction	Failed 52%
Arizona	Cave Creek School District	W	LR	Infrastructure: Schools	\$41.6 million bond for school construction	Approved 64%
Arizona	<i>Coconino County</i>	W	CI	Growth Management/Regulation	Proposition 400. Referendum on county-approved rezoning for Canyon Forest Village, a large tourist complex outside of Grand Canyon.	Failed 64%
Arizona	<i>Maricopa County</i>	W	LR	Economic Development	Proposition 302. Authorizes multipurpose stadium facility financed by county car rental surcharge, hotel tax, and other public and private revenues. Cost estimate: \$1.8 billion over 30 years	Approved 52%

State	Locality	Region	Referral	Category	Measure Summary	Result
Arkansas	STATEWIDE	S	LR	Governance/ Flexibility	Constitutional amendment 1. To authorize cities and counties to form development districts, issue bonds, and enter into sort-term financing arrangements	Approved 55%
California	STATEWIDE	W	CI	Governance/ Flexibility	Proposition 37. To require 2/3 vote of legislature or either a majority or 2/3 of local voters to impose future state or local fees to study or mitigate an activity's environmental, societal, or economic effects. Such fees, which this initiative redefines as taxes, can now be approved by majority vote.	Failed 52%
California	STATEWIDE	W	CI	Infrastructure: Schools	Proposition 39. To authorize issuance of local bonds for repair, construction, or replacement of school facilities if approved by 55 %, rather than 2/3, of voters. The proposition requires that the bond funds can be used only for construction, rehabilitation, and equipping of school facilities, or the acquisition or lease of real property for school facilities.	Approved 53%
California	Alameda County	W	LR	Infrastructure: Transportation	Measure B. Extension of ½-cent transportation sales tax and implementation of Alameda transportation plan to expand BART, commuter express service, and countywide bus system	Approved 81%
California	Alameda County (two competing measures)	W	LR	Growth Management/ Regulation	Measure C. Vision 2010 Plan. County-backed alternative to Measure D (below) affirms urban growth boundary to separate rural and urban uses, requires referendum on policy changes. Accommodates proposed North Livermore development with 12,500 new homes and golf course and 8,000 acres of protected farmland and open space. Backed by TriValley Business Council, chambers of commerce.	Failed 57%
California	Alameda County (two competing measures)	W	CI	Growth Management/ Regulation	Measure D. Save Agriculture and Open Space Lands. Amends general plan to set urban limit line around cities of Pleasanton, Dublin, Livermore, Suno and Castro Valley, and save more agricultural and open space land than Measure C. Requires countywide vote to change policies. Would stop North Livermore development plan. Backed by Sierra Club, Greenbelt Alliance, Palomares Home Owners Association.	Approved 56.5%
California	Berkeley (Alameda County)	W	LR	Open Space/Natural Resources/ Recreation	Measure S. Increases special tax for park maintenance, city trees and landscaping, from 8.11 cents per square foot of improvements to 8.90 (\$15.01 cost annually for 1500 sq ft home)	Approved 74%
California	Berkeley (Alameda County)	W	LR	Infrastructure: Affordable Housing	Measure Y. Restricts landlord's ability to evict tenants for landlord/relative occupancy and increases relocation assistance. Began as citizen initiative.	Approved 57%
California	Berkeley (Alameda County)	W	LR	Infrastructure: Affordable Housing	Measure Z. Empowers federal, state, or local public entity to construct and acquire 500 units of low-rent housing for low-income persons	Approved 72%
California	Brea (Orange County)	W	CI	Growth Management/ Regulation	Measure N. Brea Hillside Heritage Initiative. Requires voter approval of projects whose impacts on traffic, air and water quality and wildlife protection are above set thresholds	Failed 51%

State	Locality	Region	Referral	Category	Measure Summary	Result
California	Burbank	W	LR	Governance/ Flexibility	Measure B. Requires city to obtain voter consent prior to granting discretionary approvals or agreeing to the relocation or expansion of airport passenger terminal. City council supports replacement of terminal if airport agrees to limit its growth and impacts.	Approved 80%
California	Clayton (Contra Costa County)	W	LR	Open Space/Natural Resources/ Recreation	Measure Q. Referendum on creating one acre park in downtown city, with \$150,000 cost to be financed from new general tax revenues	Approved 55%
California	Clayton (Contra Costa County)	W	CI	Growth Management/ Regulation	Measure O. Requires voter approval for development involving 10 or more units, conversion of more than 2 acres of open space to non-open space uses, or commercial development of more than 1,000 square ft.	Failed 55%
California	Costa Mesa (Orange County)	W	LR	Open Space/Natural Resources/ Recreation	Measure O. Authorizes City Council to increase transient occupancy tax 2% to acquire and develop parks and open space	Approved 52%
California	Danville (Contra Costa County) <i>(Two competing measures)</i>	W	CI	Growth Management/ Regulation	Measure R. CAPP (Citizens Alliance for Public Planning) initiative to create urban growth boundary. Requires voter approval for developments of 10 or more dwelling units.	Approved 52%
California	Danville (Contra Costa County) <i>(Two competing measures)</i>	W	LR	Growth Management/ Regulation	Measure S. City Council measure requires voter approval for general plan amendments involving agricultural land, open space, parks, and recreational land	Approved 74%
California	Davis (Yolo County)	W	LR	Open Space/Natural Resources/ Recreation	Measure O. Open Space Protection Tax. Levies 30 year parcel tax to buy land and easements in Davis's planning area. Requires low income refund program. Cost to households: \$24/year; businesses \$20 to \$200 depending on size. Measure needed 2/3 approval.	Approved 70%
California	Dublin (Alameda County)	W	LR	Growth Management/ Regulation	Measure M. Amends general plan to establish 30 year urban limit line on west. Requires referendum for changes to limit line. City Council placed measure on ballot, but impetus was a citizen initiative.	Approved 59%
California	Escondido	W	LR	Growth Management/ Regulation	Proposition J. To increase density of single family home development	Failed 71%
California	Escondido	W	LR	Growth Management/ Regulation	Proposition K. Rezoning of small residential parcel to light industrial	Failed 62%
California	Escondido	W	LR	Growth Management/ Regulation	Proposition L. Rezoning of small residential parcel to commercial development	Failed 52%
California	Escondido	W	LR	Growth Management/ Regulation	Proposition M. Rezoning of 50 acres to double density	Failed 67%
California	Escondido	W	LR	Growth Management/ Regulation	Proposition N. Rezoning of residential parcel to light industrial	Failed 71%
California	Escondido	W	LR	Growth Management/ Regulation	Proposition O. Rezoning of industrial development area	Failed 64%

State	Locality	Region	Referral	Category	Measure Summary	Result
California	Escondido	W	LR	Growth Management/Regulation	Proposition P. Rezoning of industrial development area	Failed 61%
California	Escondido	W	LR	Growth Management/Regulation	Proposition R. Rezoning of single family homes for greater density	Failed 72%
California	Escondido (suburb of San Diego)	W	LR	Growth Management/Regulation	Proposition H. Conversion of mobile home parks to resident ownership. One of 8 general plan amendments - 4 would allow industrial development on land now zoned residential and 4 would increase density for housing. Vote required by 1997 voter-approved measure.	Approved 68%
California	Fillmore (Ventura County) (Two competing measures)	W	CI	Growth Management/Regulation	Measure J. Save Open-space and Agricultural Resources (SOAR) measure would set City Urban Restriction Boundary to include Fillmore corporate limits and sphere of influence	Failed 56%
California	Fillmore (Ventura County) (Two competing measures)	W	LR	Growth Management/Regulation	Measure K. City Council backed urban boundary line would allow more development than SOAR initiative	Failed 62%
California	Healdsburg (Sonoma County) (2 competing measures)	W	LR	Growth Management/Regulation	Measure L. Caps new housing at 25 units a year, with more exceptions for affordable housing	Failed 58%
California	Healdsburg (Sonoma County) (Two competing measures)	W	CI	Growth Management/Regulation	Measure M. Caps new home construction at 30 units a year, with exception for affordable housing. (Current cap, 45 houses)	Approved 56%
California	Huntington Beach (Orange County)	W	LR	Open Space/Natural Resources/ Recreation & Infrastructure: Transportation	Measure R. Referendum on earmarking corporate utility tax to pay for infrastructure fund for parks, highways, etc.	Approved 71%
California	Kingsburg (Fresno County)	W	LR	Open Space/Natural Resources/ Recreation	Measure D. Referendum on earmarking utility tax revenues for parks and recreation, senior center, and community beautification	Approved 64%
California	Lassen County	W	LR	Growth Management/Regulation	Measure V. Referendum on rezoning for large mountain resort and subdivision	Approved 62%
California	Lathrop (San Joaquin County)	W	LR	Economic Development	Measure D. Amends city agreement to allow developer to construct 8,500 homes before theme park or other commercial development as earlier agreed. Requires withholding of occupancy permit until commercial development is guaranteed or developer pays fee.	Approved 56%

State	Locality	Region	Referral	Category	Measure Summary	Result
California	Malibu	W	LR	Open Space/Natural Resources/ Recreation	Measure O. Referendum on \$15 million general obligation bonds to be financed by property tax surcharge, to buy land for city parks, recreation and open space	Approved 58%
California	Malibu	W	LR	Growth Management/ Regulation	Measure N. Council- backed measure to require voter approval for development agreements on commercial projects involving more than 30 acres. Eliminates 10% petition prerequisite for referendum on development agreement.	Approved 52%
California	Marina	W	CI	Growth Management/ Regulation	Measure E. Creates an urban growth boundary	Approved 52%
California	Modesto	W	LR	Economic Development	Measure F. Transient Occupancy Tax. Increases tax by 2% to raise \$7.5 million towards cost of performing arts center	Failed
California	Monterey City	W	LR	Economic Development	Measure G. Charter amendment to require voter approval of city sales of land zoned for open space in Cannery Row and other specified areas. Unanimously approved by Monterey City Council for presentation to voters.	Approved 84%
California	Monterey County	W	CI	Growth Management/ Regulation	Developer-backed initiative for plan amendment to allow Pebble Beach Company to build golf course, motel, and some worker housing in place of 890 planned houses	Approved 63%
California	Napa County	W	LR	Open Space/Natural Resources/ Recreation & Economic Development	Measure I. 1.5% increase in hotel tax, with revenues earmarked for watershed protection (30%), park facilities (20%), open space (40%) and tourism promotion (10%).	Failed 64% (needed 2/3 <sup>rd</sup> s)
California	Newman Coes Landing School District	W	LR	Infrastructure: Schools	\$11.35 million bond for school construction and improvements	Approved
California	Newport Beach (Orange County) (Two competing measures)	W	CI	Growth Management/ Regulation	Measure S. Protection from Traffic and Density Initiative. Requires voter approval of proposed developments that exceed General Plan by 100 residential units, 40,000 square feet, or specified traffic projections. Campaign one of most expensive in county history.	Approved 63%
California	Newport Beach (Orange County) (Two competing measures)	W	LR	Growth Management/ Regulation	Measure T. Newport Beach Traffic Planning and Improvements. Less restrictive measure than Measure S (above) would link permissible development to traffic phasing ordinance	Failed 64%
California	Palmdale	W	CI	Growth Management/ Regulation	Measure T. Referendum on city council resolution that rezones land to allow development of large retail center, including a Wal-Mart	Approved
California	Paso Robles	W	CI	Growth Management/ Regulation	SOAR initiative. Requires voter approval before land designated agricultural, open space, rural or rural residential can be rezoned for more intensive uses	Failed 61%
California	Placer County	W	LR	Open Space/Natural Resources/ Recreation	Measure W. Public Oversight and Accountability Measure. 20 year 1/4 cent sales tax increase for open space purchases.	Failed 73%

State	Locality	Region	Referral	Category	Measure Summary	Result
California	Placer County (Sierra Nevada and Lake Tahoe)	W	LR	Open Space/Natural Resources/ Recreation	Measure V. Open Space, Farmland and Water Quality Protection. To advise county on spending of newly approved sales tax revenues (see Measure W) to preserve water quality, save farmland, protect fish and wildlife, enhance recreation areas, protect scenic landscapes.	Approved 56%
California	Ravenwood City School District	W	LR	Infrastructure: Schools	\$10 million bond for school construction and renovation	Approved
California	Rohnert Park (Sonoma County)	W	LR	Growth Management/Regulation	Measure N. Sets 20 year urban growth boundary to prevent sprawl, preserve agricultural land and open space, and control growth according to general plan. Voters must approve any changes to boundary.	Approved 71%
California	Rohnert Park (Sonoma County)	W	LR	Infrastructure: Affordable Housing	Measure O. Authorizes city to participate in development of low rent housing. Capped at 4% of city's units, 15% of units in any section, 20% for elderly or disabled.	Approved 54%
California	Sacramento County	W	CI	Growth Management/Regulation	Developer-backed measure to alter county's urban services limit to allow services for 3,000 unit subdivision	Failed 69%
California	San Clemente (Orange County)	W	CI	Growth Management/Regulation	Measure U. Residential Building Permit Moratorium Initiative. Would bar city from issuing permits for residential development until it builds north-south thoroughfare to ease congestion through town. Opposed by developers.	Failed 53%
California	San Diego	W	LR	Growth Management/Regulation	Proposition C. Amends height limit established by 1972 citizen initiative in coastal zone to accommodate International Gateway of the Americas commercial and federal development project along border with Mexico, including a pedestrian bridge to Tijuana.	Approved 67%
California	San Francisco	W	LR	Economic Development	Proposition R. County supervisor question on development of Pier 45 as a nonprofit public facility with maritime education theme (currently planned as tourist park)	Approved 73%
California	San Francisco	W	LR	Infrastructure: Transportation	Proposition Q. Referendum on creating a Pedestrian Safety Fund to pay for improvements to make city streets safer for pedestrians	Approved 67%
California	San Francisco	W	CI	Infrastructure: Affordable Housing	Proposition N. Bans new tenancies when tenants buy their apartment house and affirms 200 unit cap on conversions	Failed 54%
California	San Francisco (Two competing measures)	W	LR	Growth Management/Regulation	Proposition K. Mayor-supported measure updates controls on office development, particularly for computer-based services. Imposes two-year moratorium on new projects larger than 25,000 square feet in some sections and allows more dot.com development in others. Also provides one-time adjustment in city's growth cap during next 15 months. Silent on live-work loft construction.	Failed 61%
California	San Francisco (Two competing measures)	W	CI	Growth Management/Regulation	Proposition L. Also updates existing controls on office development. Sponsored by artists and activists. Permanently bans or places indefinite moratorium on new development in some districts and live-work loft construction. Does not provide a one-time adjustment of annual growth cap.	Failed 50.2%

State	Locality	Region	Referral	Category	Measure Summary	Result
California	San Jose	W	LR	Open Space/Natural Resources/ Recreation	Measure P. \$228 million general obligation bond for neighborhood and regional parks, open space, trails and recreational center	Approved 78%
California	San Jose	W	LR	Growth Management/ Regulation	Measure K. Mayor-backed measure to strengthen "greenline" boundary protecting hillsides and baylands from development. Requires voter approval for repeal or change.	Approved 81%
California	San Louis Obispo County	W	CI	Growth Management/ Regulation	SOAR initiative. Requires voter approval for rezoning land designated for agriculture, open space, or rural and rural/residential. (Similar to Ventura County SOAR approved in 1998)	Failed 59%
California	San Marcos	W	CI	Growth Management/ Regulation	Proposition S. Charter amendment to require city zoning ordinances to be consistent with general plan in accordance with state law	Approved
California	Santa Clara County Valley Transportation Authority	W	LR	Infrastructure: Transportation	Measure A. Extends 30-year, half-cent transportation sales tax to expand BART 22 miles from Fremont to San Jose. Would raise \$6 billion for transit improvements to link San Jose airport and BART/Caltrain; provide light rail countywide and improve bus service, and electrify Caltrain. Silicon Valley Mfg. Group, environmental groups, transit interests support.	Approved 70% (needed 2/3 <sup>rds</sup> )
California	Santa Clara County (Santa Clara Valley Water District)	W	LR	Open Space/Natural Resources/ Recreation	Measure B. Clean, Safe Creeks and Flood Protection. Levies 15 year parcel tax to protect and restore creek and bay ecosystems, provide streamside trails and parks.	Approved 66%
California	Santa Maria-Bonita School District	W	LR	Infrastructure: Schools	\$30 million bond for school construction	Approved
California	Santa Paula (Ventura County)	W	CI	Growth Management/ Regulation	Measure I. SOAR initiative (defeated once) to amend general plan to establish city urban restriction boundary	Approved 54%
California	Saratoga (Santa Clara County)	W	LR	Growth Management/ Regulation	Measure G. Reaffirms 15 month moratorium on approval of residential development projects on lands designated in general plan as "Retail Commercial", "Professional Administrative", "Gateway Landscaping", or "Planned Development"	Approved 74%
California	Solana Beach	W	LR	Growth Management/ Regulation	Proposition T. Community Protection Act. Requires voter approval to change general plan designations, except to reduce residential density	Approved 62%
California	Sonoma City	W	CI	Growth Management/ Regulation	Measure S. Creates urban growth boundary congruent with city's sphere of influence	Approved 64%
California	Sonoma City	W	LR	Infrastructure: Affordable Housing	Measure R. Authorizes public entities to develop 100 low rent housing units	Approved 60%
California	Sonoma County	W	CI	Growth Management/ Regulation	Measure I. Rural Heritage Initiative. Requires voter approval to amend land use and density provisions for agricultural and rural zones and to change general plan goals and policies. Eight of Sonoma County's 9 cities have voter-approved urban growth boundaries.	Failed 58%

State	Locality	Region	Referral	Category	Measure Summary	Result
California	Tracy (San Joaquin County)	W	CI	Growth Management/Regulation	Measure A. Reduces current cap on building permits by half (similar measure narrowly failed in March)	Approved 56%
California	Ventura City	W	LR	Open Space/Natural Resources/ Recreation	Allows city to build 95 acre sports park on cropland (vote required by earlier voter approval of urban growth boundary)	Approved 54%
California	West Contra Costa School District	W	LR	Infrastructure: Schools	\$150 million bond for school construction and renovation	Approved 77%
California	Yucaipa	W	CI	Growth Management/Regulation	Measure O. Referendum on county-approved plan amendment to permit major development (including Wal-Mart and Home Depot)	Failed 55%
Colorado	STATEWIDE	W	CI	Growth Management/Regulation	Amendment 24. Responsible Growth Initiative. To require certain cities and counties to designate growth areas on maps subject to citizen approval. Officials can only approve projects in these growth areas, with certain exemptions, unless it is justified by population statistics and voters approve. Requires impact analysis of growth plans; provision of roads, and water and sewer systems within 10 years; and regional cooperation.	Failed 70%
Colorado	STATEWIDE	W	LR	Open space/natural resources/ recreation	Referendum E. Authorizes Multi-State Lottery (Power Ball) to supplement current lottery revenues. Officials say each 5 % increase in revenues generated by measure would add about \$4 million for local government Conservation Trust Fund grants for parks, wildlife habitat and open space, and generate funds for education.	Approved 52%
Colorado	Arvada	W	LR	Open Space/Natural Resources/ Recreation	Issue 2A. \$16.5 million bond for open space and trails acquisition, development, and maintenance financed by sales tax increase of .25%	Failed 59%
Colorado	Aspen	W	LR	Infrastructure: Transportation	Levy new 1% visitor benefit tax on lodging and increase contribution to Regional Transit Authority for expanded bus services and other transit services. See Eagle County. Will also finance tourism promotion.	Approved
