Employment History

Company	Job Title	Dates	Reason for Leaving
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

Describe any programming experiences, including but not limited to web coding/scripting (i.e. Javascript, HTML, and CSS), statistical packages (such as STATA SAS, Matlab, etc), or database management (such as SQL, Microsoft Access, etc.)

List relevant research and economics writing experience (independent research, research assistant positions, publications, thesis in economics or a related discipline, etc.)

The following is a list of the areas of specialization in economics for which we may be hiring. Although not exclusively, the majority of research conducted in the Economic Studies program is concerned with U.S. domestic issues. In order of preference with number one being most preferable, please select three areas in which you would like to work. Also, place an "X" by any other areas which are of interest.
