NATIONAL POLICY ON RESETTLEMENT AND REHABILITATION
FOR PROJECT AFFECTED FAMILIES-2003

(Published in the Gazette of India, Extraordinary Part-I, Section 1,
No- 46, dated 17th February, 2004)

CHAPTER – I: POLICY

PREAMBLE:

1.1 Compulsory acquisition of land for public purpose including infrastructure projects displaces people, forcing them to give up their home, assets and means of livelihood. Apart from depriving them of their lands, livelihoods and resource-base, displacement has other traumatic psychological and socio-cultural consequences. The Government of India recognizes the need to minimize large scale displacement to the extent possible and, where displacement is inevitable, the need to handle with utmost care and forethought issues relating to Resettlement and Rehabilitation of Project Affected Families. Such an approach is especially necessary in respect of tribals, small & marginal farmers and women.

1.2 The system of extending cash compensation does not, by itself, in most cases, enable the affected families to obtain cultivable agricultural land, homestead and other resources which they have to surrender to the State. The difficulties are more acute for persons who are critically dependent on the acquired assets for their subsistence/ livelihoods, such as landless agricultural workers, forest dwellers, tenants and artisans, as their distress and destitution is more severe, and, yet they are not eligible for cash compensation.

1.3 Some States and Central Ministries/Departments have their own Policies and Guidelines for Resettlement and Rehabilitation. However, a National Policy on Resettlement and Rehabilitation of Project Affected Families (PAFs) has not so far been enunciated. This Document aims at laying down basic norms and packages in the shape of a Policy which would, henceforth be referred to as the National Policy on the Resettlement and Rehabilitation of Project Affected Families - 2003 (NPRR-2003).
1.4 The Policy essentially addresses the need to provide succour to the assetless rural poor, support the rehabilitation efforts of the resource poor sections, namely, small and marginal farmers, SCs/STs and women who have been displaced. Besides, it seeks to provide a broad canvas for an effective dialogue between the Project Affected Families and the Administration for Resettlement & Rehabilitation. Such a dialogue is expected to enable timely completion of projects with a sense of definiteness as regards costs and adequate attention to the needs of the displaced persons especially the resource poor sections. The intention is to impart greater flexibility for interaction and negotiation so that the resultant Package gains all-round acceptability in the shape of a workable instrument providing satisfaction to all stakeholders/ Requiring Bodies.

1.5 The National Policy on the Resettlement and Rehabilitation of Project Affected Families will be in the form of broad guidelines and executive instructions for guidance of all concerned and will be applicable to Projects displacing 500 families or more en masse in plain areas and 250 families en masse in hilly areas, Desert Development Programme (DDP) blocks, areas mentioned in Schedule V and Schedule VI of the Constitution of India. It is expected that the appropriate Government and Administrator for R&R shall implement this Policy in letter and spirit in order to ensure that the benefits envisaged under the Policy reaches the Project Affected Families, especially resource poor sections including SCs/STs.

1.6 The rehabilitation grants and other monetary benefits proposed in the Policy would be minimum and applicable to all project affected families whether belonging to BPL or non-BPL families. States where R&R packages are higher than proposed in the Policy are free to adopt their own packages.
