

Michigan Profile

Why State Grants Matter

State grant programs have the potential to make college possible for many students who could not otherwise afford to enroll. Grant policies vary widely across states in terms of their funding levels, whether they are based on financial or academic criteria or a combination of the two, and which students and institutions are eligible.

Michigan Residents

25%

of Michigan residents have a B.A. degree

88%

of Michigan students attend an in-state college

\$46,441
