UN Climate Process

- Pre-2020 ambition
- 100 billion USD – roadmap
- Ratification / entry into force of the Paris Agreement (55-55)
- Negotiation on rules of PA
- 2018 Facilitative Dialogue / 2023 Global Stocktake
- 1.5C – IPCC special report in 2018
- Long term strategy

- COP23 2017 in Asia
- New UNFCCC Executive Secretary
- New UN Secretary-General
- SDG

Other Fora

- G7/G20
 - Fossil fuel subsidy phase out
 - Green finance
 - China-German G20 presidency
- ICAO
- Montreal Protocol
- Key bilaterals
 - US-China

Questions

- How to avoid complacency, maintain momentum, and address urgency?
- How can China provide continued leadership?
- How does leadership express itself in/outside of the UNFCCC process?
- Are there ways to better synchronize domestic progress and international position?
