"Comments on the 2027 Medicare Part C and D Advance Notice." The Brookings Institution. February 2026.

"HHS Proposes Sweeping Changes For 2027 Marketplace Plans (Part 2)." *Health Affairs Forefront*. February 2026. (with Katie Keith)

"Comments on the 2027 Medicare Advantage and Part D proposed rule." The Brookings Institution. January 2026.

"Will Medicare Advantage's rise strengthen or weaken favorable selection?" The Brookings Institution. October 2025. (with Samantha Crow)

"How would eliminating $0 Marketplace premiums affect insurance coverage?" The Brookings Institution. October 2025.

"Comments on site-neutral payment provisions of CMS' proposed OPPS rule." The Brookings Institution. September 2025. (with Loren Adler)

"The changing landscape of primary care: an analysis of payer-primary care integration." *Health Affairs Scholar*. July 2025. (with Loren Adler, Samantha Crow, Richard Frank, Rahul Fernandez, Derek Lake, and Robert Tyler Braun)

"Taking stock of the health coverage impacts of the House Reconciliation Bill." *Health Affairs Forefront*. June 2025.

"How do Republicans plan to cut health coverage? Let us count the ways." *Washington Post*. May 2025. (with Loren Adler)

"Restraining health care spending while protecting access: Potential for bipartisan action." *Health Affairs Forefront*. May 2025. (with G. William Hoagland, Andrew Patzman, James C. Capretta, Benedic Ippolito, and Loren Adler)

"How would implementing an Arkansas-style work requirement affect Medicaid enrollment?" The Brookings Institution. April 2025.

"Comments on the HHS Marketplace Integrity and Affordability rule." The Brookings Institution. April 2025.

"Comments on the 2026 Medicare Part C and D Advance Notice." The Brookings Institution. February 2025.

"Comments on the proposed 2026 Medicare Advantage and Part D rule." The Brookings Institution. January 2025.

"How precise are the estimates of Traditional Medicare costs used to set Medicare Advantage benchmarks?" The Brookings Institution. January 2025. (with Samantha Crow and Julia Paris)

"Comment on the proposed 2026 Notice of Benefit and Payment Parameters." The Brookings Institution. November 2024.

"The impact of New York's surprise billing law on payment rates to emergency physicians." The Brookings Institution. November 2024. (with Loren Adler, Erin Duffy, Paul B. Ginsburg, Bich Ly, and Erin Trish)

"Proposed 2026 Payment Notice: Risk Adjustment." *Health Affairs Forefront*. October 2024.

"Outcomes under the No Surprises Act arbitration process: A brief update." The Brookings Institution. July 2024. (with Loren Adler)

"The outlook for US health spending growth: A blast from the past?" *Health Affairs Forefront.* June 2024.

"Response to a request for information on improving data on Medicare Advantage." The Brookings Institution. June 2024. (with Loren Adler)

"Comments on the request for information on consolidation in health care markets." The Brookings Institution. May 2024. (with Loren Adler)

"Comments on CMS proposals on researcher data access." The Brookings Institution. May 2024. (with Loren Adler and Richard Frank)

"Risk adjustment in the Final 2025 Notice of Benefit and Payment Parameters." *Health Affairs Forefront.* April 2024.

"A first look at outcomes under the No Surprises Act arbitration process." The Brookings Institution. March 2024. (with Loren Adler)

"Comments on the 2025 Medicare Part C and D Advance Notice." The Brookings Institution. March 2024. (with Richard Frank)

"Response to a request for information on ensuring access to cell and gene therapies." The Brookings Institution. January 2024. (with Richard Frank)

"Assessing early experience with arbitration under the No Surprises Act." The Brookings Institution. January 2024. (with Benedic Ippolito and Loren Adler)

"Comments on the 2025 Notice of Benefit and Payment Parameters." The Brookings Institution. January 2024.

"Comments on federal independent dispute resolution operations in the No Surprises Act." The Brookings Institution. January 2024. (with Loren Adler)

"Assessing CMMI's proposals on Medicaid payment for cell and gene therapies." The Brookings Institution. December 2023. (with Richard Frank)

"Proposed 2025 payment rule: Risk adjustment." *Health Affairs Forefront.* November 2023.

"A brief look at current debates about pharmacy benefit managers." The Brookings Institution. September 2023. (with Loren Adler and Richard Frank)

"How much can an out-of-network cap reduce in-network prices?" The Brookings Institution. June 2023. (with Bich Ly)

"Weighing policy options for returning savings from site-neutral payment reforms to hospitals." The Brookings Institution. May 2023. (with Benedic Ippolito and Loren Adler)

"Assessing recent health care proposals from the House Committee on Energy and Commerce." The Brookings Institution. May 2023. (with Loren Adler and Benedic Ippolito)

"Final 2024 payment rule, part 2: Risk adjustment." *Health Affairs Forefront.* April 2023.

"Comments on 2024 Medicare Part C and D Advance Notice." The Brookings Institution. March 2023.

"Comments on risk adjustment policies in the 2024 payment rule." The Brookings Institution. January 2023. (with Timothy Layton)

"Comments on Marketplace enrollment policies in the 2024 payment rule." The Brookings Institution. January 2023. (with Adrianna McIntyre)

"Assessing two approaches to closing the Medicaid coverage gap." The Brookings Institution. January 2023.

"Proposed 2024 payment rule, Part 2: Risk adjustment." *Health Affairs Forefront.* December 2022.

"Tweaking the Marketplace enrollment process could magnify effects of larger premium tax credits." The Brookings Institution. September 2022. (with Adrianna McIntyre)

"Comments on the Medicare Shared Savings Program." The Brookings Institution. September 2022.

"Comments on the Request for Information on Medicare." The Brookings Institution. September 2022. (with Loren Adler, Richard G. Frank, and Marta E. Wosińska)

"The Supreme Court left millions of Americans uninsured: Here's what Congress can do to cover them." *The Hill*. July 2022.

"Eliminating small Marketplace premiums could meaningfully increase insurance coverage." The Brookings Institution. June 2022.

"The economic case for federal investment in COVID-19 vaccines and therapeutics remains strong." The Brookings Institution. April 2022. (with Susan Athey, Rena M. Conti, Richard G. Frank, and Jonathan Gruber)

"What does economy-wide inflation mean for the prices of health care services (and vice versa)?" The Brookings Institution. March 2022.

"Comments on the 2023 Advance Notice on Medicare Part C and D Payment Parameters." The Brookings Institution. March 2022. (with Richard G. Frank)

"CMS should abandon its 'two-stage' risk adjustment estimation proposal." The Brookings Institution. January 2022. (with Timothy Layton)

"Comments on the 2023 Notice of Benefit and Payment Parameters." The Brookings Institution. January 2022. (with Loren Adler and Erin Duffy)

"Comments on the Georgia Access Model." The Brookings Institution. January 2022. (with Linda Blumberg)

"Comments on No Surprises Act Rulemaking: Part II." The Brookings Institution. December 2021. (with Loren Adler and Benedic Ippolito)

"Comments on HHS-operated risk adjustment technical paper on possible model changes." The Brookings Institution. December 2021. (with Timothy Layton)

"How would filling the Medicaid 'coverage gap' affect hospital finances?" The Brookings Institution. November 2021.

"Comments on No Surprises Act Rulemaking: Part I." The Brookings Institution. September 2021. (with Loren Adler and Benedic Ippolito)

"Options for containing the cost of a new Medicare dental, hearing, and vision benefit." The Brookings Institution. September 2021.

"Comments on the development of a public health insurance option." The Brookings Institution. August 2021. (with Loren Adler)

"Comments on a CMS proposal to allow year-round Marketplace enrollment for low-income people." The Brookings Institution. August 2021.

"'Equal weighting' is a poor framework for arbitration decisions under the No Surprises Act." The Brookings Institution. June 2021. (with Benedic Ippolito and Loren Adler)

"The case for replacing 'Silver Loading.'" The Brookings Institution. May 2021.

"Designing a public option that would reduce health care provider prices." The Brookings Institution. May 2021.
