LEGIS FELLOWS

For more than 25 years, the LEGIS Fellows program has attracted professionals from government agencies, businesses and the nonprofit sector.

It begins with an in-depth, eight-day orientation that explains legislative mechanics and includes a job fair to help fellows select their Capitol Hill assignments. That's followed by months of working with legislators and their staffs, participating in committee hearings, briefing members of Congress, drafting legislation and serving as a constituent liaison. Fellows connect with key decision makers and power brokers, learn about policy development and join a national network of policy entrepreneurs. And they become indispensable subject-matter experts for legislators—providing perspectives on critical issues that congressional staffers, as generalists, may not be able to supply. It's a one-of-a-kind opportunity to see behind the scenes of the legislative process.

PROGRAM BENEFITS

- Insider's knowledge of the legislative process
- Exceptional networking opportunities with senior-level federal officials
- Lasting relationships with members of Congress and congressional staff
- Enhanced agency engagements with Congress
- Strong alumni network
- Community of policy entrepreneurs

ORIENTATION: Jan. 3–12, 2022

SEVEN-MONTH FELLOWSHIP: Jan. 3–July 29, 2022 | Tuition: \$4,525 FULL-YEAR FELLOWSHIP: Jan. 3–Dec. 16, 2022 | Tuition: \$6,135

Note: When you participate in the LEGIS Fellowship orientation, you can apply class credit from Inside Congress and Insider's Budget Process to the Certificate in Policy Strategy.
