### LEGIS FELLOWS PROGRAM

For more than 25 years, the LEGIS Fellows program has attracted professionals from government agencies, businesses, and the nonprofit sector.

It begins with an in-depth, eight-day orientation that explains legislative mechanics and includes a job fair to help fellows select their Capital Hill assignments. That's followed by months of working with legislators and their staffs, participating in committee hearings, briefing members of Congress, drafting legislation, and serving as a constituent liaison. Fellows connect with key decision makers and power brokers, learn about policy development and join a national network of policy entrepreneurs. And they become indispensable subject-matter experts for legislators—providing perspectives on critical issues that congressional staffers, as generalists, may not be able to supply. It's a one-of-a-kind opportunity to see behind the scenes of the legislative process.

**Cost:** 7-month \$4,525 or Full-year \$6,135

**Kickoff:** November 30, 2022

**Orientation:** January 3–11, 2023

**Seven-Month Fellowship:** January 3–July 28, 2023
