BOOKS

Janesville: An American Story (Simon and Schuster, 2017)

Tells the story of what happens to an industrial town in the American heartland when General Motors' oldest operating assembly plant shuts down during the Great Recession. Takes readers deep into the lives of autoworkers, educators, bankers, politicians, and job re-trainers, showing why it is so hard in the 21st Century to re-create a healthy, prosperous working class. The book was honored with multiple awards:

- *Financial Times and McKinsey & Company Business Book of the Year.*
- *J. Anthony Lukas Book Prize (top narrative nonfiction award).*
- *800-CEO-READ Business Book of the Year.*

Numerous Speaking Engagements in conjunction with *Janesville*, including at universities, book festivals, and other venues throughout the United States. Additional appearances at London School of Economics, Organization for Economic Co-operation & Development Forum (Paris), and book festivals in Australia, France, and New Zealand.
