

## The Brookings Institution's Contributors List

In compliance with United States House of Representatives rules, Brookings has prepared the following list that identifies the sources of contributions, grants, contracts, and in-kind donations received (“Brookings Contributions”), including “Federal grants or contracts” as well as “contracts or payments originating with a foreign government...” [U.S. House of Representatives Rule XI, Clause 2\(g\)](#).

Brookings’s funders are categorized according to their contribution ranges for each fiscal year (July 1 to June 30).<sup>1</sup> Brookings will update this list following its second and fourth fiscal quarters (ending December 31 and June 30, respectively). Any subsequent payments from ongoing Brookings Contributions will be included in future updates of the list.

Brookings strives for completeness and accuracy, and is not aware of any omissions or errors in this list. Any omissions or errors are unintentional.
