At Moms for Liberty, we understand the importance of having liberty-minded school boards throughout the country that are focused on defending parental rights and improving education. We hope to activate these types of people to public service.

How We Fight

- ➔ **Hold Leaders Accountable**
We hold decision makers accountable or we work to replace them with liberty-minded individuals.
- ➔ **Spread Awareness**
We spread awareness and an understanding of the limited role of government.
- ➔ **Oppose Government Overreach**
We stand together against government overreach and intimidation tactics.

- ➔ **Promote Liberty**
We promote teaching the principles of liberty in our homes and community.
- ➔ **Engage on Key Issues**
We engage our communities and elected leaders on key issues impacting our families.
- ➔ **Activate to Public Service**
We activate liberty-minded leaders to serve in elected positions.

Because this is an important way we fight for the survival of America, we have created a revolutionary Campaign Kit. The Kit empowers school board candidates to run and win by focusing on proven local-level campaign strategy that works. Most school board candidates are seeking office for the first time. Using our Campaign Kit, they can come to understand campaign cycles, perfect voter communication, and avoid the common pitfalls that tend to trip up new candidates.

CAMPAIGN KIT

CANDIDATE HANDBOOK

A how-to guide on running for school board covering everything from building a platform and fundraising to voter contact and dealing with the media.

CAMPAIGN WORKBOOK

A practical, hands-on resource that assists candidates in creating a campaign plan and executing their campaign effectively.

COLLATERAL COLLECTION

A curated collection of design templates for school board campaigns. Using the Collection, candidates can easily create logos, mailers, palm cards, and more.

Every child across America deserves access to a quality education. The decisions made by school board members play a crucial role in shaping the quality of that education. In our commitment to ensuring that education is guided by capable school board members, Moms for Liberty is pleased to provide this Campaign Kit free of charge to all our members.

The Candidate Handbook covers:

Campaign cycles, your campaign team, knowing your numbers, getting out the vote, fundraising, voter contact, messaging, and more!

The Campaign Workbook facilitates:

Setting fundraising, canvassing, and vote goals. Crafting budgets, platforms, and talking points. As well as tracking volunteers, timelines, and more!

The Collateral Collection includes:

Templates to create campaign logos, yard signs, palm cards, mailers, postcards, and more!

WIN OR LOSE

Whether you win or lose your school board race, the battle continues!

If you win your race, you are likely to receive an invitation from your state's School Board Association offering to train you. Many of these Associations foster the same woke propaganda Moms for Liberty is fighting against. Instead, consider seeking training from groups that align with your values.

The Leadership Institute has a New School Board Member Training Program. Reach out to them at schoolboard@leadershipinstitute.org (mailto:schoolboard@leadershipinstitute.org) for more information.

If you run and the results don't go your way, you can still have a positive impact on your community's children by establishing a Moms for Liberty chapter and advocating for changes you would like to see. Click here to learn more about starting a Chapter of Moms for Liberty!
