

The United States-Mexico-Canada Agreement (USMCA) governs trade among the US, Canada and Mexico worth around 1.8 trillion dollars, where each country is each other's largest exports partners, supporting around 17 million jobs. The Brookings USMCA initiative measures the effectiveness and implementation of the USMCA, as well as its impact on the policies and economies of the partner nations through forward-looking research, data, and analyses.

IOWA EXPORTS OF ALL GOODS
